

# **Infant Educator Positions in Healthy Start Child Development**

## **Centre (HSCDC) in Bukit Merah View**

Full time

### **Overview**

- HSCDC caters specifically to lower-income families that require wrap-around supports that include social service, healthcare, as well as early childhood care and education for their infants, toddlers and pre-schoolers.
- The centre is looking for innovative and dedicated educators who enjoy working with smaller group sizes but a diverse range of learners.

### **Job Highlights Unique to HSCDC**

- Be creative in designing engaging play-based learning experiences for children from infancy
- Be curious about every child's strengths and interests
- Focus on nurturing children's social and emotional development as well as dispositions and approaches to learning
- Work with children from diverse family backgrounds and circumstances
- Be able to connect with community workers in the larger Beyond Social Services organisation

### **Job Description**

#### **Your Profile as a Teacher:**

- Are you a good team player?
- Are you an avid reader who can model curiosity and inspire others to learn?
- Are you an effective communicator?
- Are you keen to improve your curricular planning skills based on child observations?

Sounds like a good fit? Drop us a message at email: [jobs@beyond.org.sg](mailto:jobs@beyond.org.sg) ! We would love to talk to you.

#### **Qualifications and Requirements:**

- For infant care – must be ECDA-certified EY2 Educarer
- Preferably have at least one year of teaching experience in early childhood settings.
- First Aid Certification will be an advantage
- Beginning teachers are also welcome.
- Able to work independently and as a team to fulfil all job responsibilities.
- **Applicants must be comfortable to work on Saturdays.**
